WHO ATTENDS? 2014 Attendee Breakdown by Pharmacy Professional

Attendance by Pharmacy Professional Categories

“ASHP is the top tradeshow and marketing opportunity for Sagent Pharmaceuticals to interact with our key target audience of Pharmacists. This is our largest and best opportunity to meet Pharmacists face to face and present our new product offerings to existing customers and a great opportunity for us to share the Sagent differences to pharmacists who may not be as familiar with Sagent. The ASHP meeting is a key part to our yearly tactical plan each year, we wouldn't miss it! Where else can you have access to 20,000 plus key pharmacy customers?”

***Joe Sagent,
Sagent Pharmaceuticals***
