

GRAND QUEEN & KING

446

square feet of modern furnishings

It's more than a room. It's a collection of wide-open possibilities. Grab a drink or a snack from your minibar, and get connected with a media hub, high-speed Wi-Fi, or enjoy a movie on your HDTV. Relax in a Carrera marble-adorned bathroom with oversized backlit vanity, and when you're ready to catch some z's, snuggle into the lavish linens, activate the blackout shade, and drift away. Of course, with a room this attractive, you might not want to close your eyes at all.

DESIGNED TO INNOVATE

DESIGNED TO ENTERTAIN

EXECUTIVE QUEEN & KING SUITES

These are accommodations that invite you to think big — enjoy your private suite with an oversized bathroom with soaking tub and separate shower. Kick back with a cocktail from the minibar, or dock your electronic device of choice in the media hub. Relax in front of the HDTV, or get a little work done at the glass-top business desk. Then, you can call it a night by wrapping yourself in luxurious linens.
